

Mathematical Profile Test

Multidimensional assessment of math skills through a double control gate.

All students 1st - 7th grade

1st
control
gate

Math
PRO-S test

- 4-5 shortened subtests
- Through PC or tablet
- Group or one-to-one administration
- Average time: 15min

Miniature of mathematical profile & identify students at risk.

Appropriate for

- Educators/Schools
- Diagnostic centers
- Researchers

Students at risk

2nd
control
gate

Math
PRO test

- 18 full subtests
- Through PC
- One-to-one administration
- Average time: 60 min

Detailed mathematical profile for tailoring individual intervention program.

Appropriate for

- Experts
- Diagnostic centers
- Researchers
